OPTIONAL VOLUNTARY PAYMENT

The option of making a voluntary payment is extended to an employer for the purpose of possibly decreasing the employer's future contribution rate. Since you already qualify for the lowest experience rate possible, a voluntary payment would not likely be of benefit to you. However, if you would like to make a voluntary payment that would add to your account balance for future contribution rate calculations, you may submit your payment made payable to the Ohio Department of Job and Family Services and mail it along with the attached remittance voucher to: P.O. Box 182404, Columbus OH 43218-2404. Voluntary payments must be postmarked by **December 31, 2012**. You may also make a payment by logging on to <http://unemployment.ohio.gov>.
